

Looking for Partner to purchase BETC Credits

Mountain Park HOA, through its renovation project, has qualified for tax credits which can offset Oregon State income taxes. Since Mountain Park is a not for profit organization, it cannot use those credits. The State of Oregon has a program that will allow for the transfer of those credits to any person or organization who is willing to purchase those credits through the State program. The state mandated amount that would need to be paid to Mountain Park is approximately \$40,380 in a lump sum. More information can be obtained on the States web site <http://www.oregon.gov/ENERGY/CONS/BUS/BETC.shtml>. If you are interested in becoming a partner, please contact director Ted Nelson at 503/710-4401.
